Methodist Appropriations--The French-American Claims Commission--The New Railroad Schodule Time.

rs at a Nagra Guthreak in Virgir Trying in Heat Jeff Davis - Dis-charging of Hallrand Men.

CHICADO, November 9.—The Germans of this city to-night held a socials, as date-guished from a religious, escleration of the four hundredth anniversary of the birth of Martin Loker. A featish mobil was among the speakers.

Naw Onteachs, L.a., November 9.—A tis-pass-old Italian girl died of yellow feer yeaday in the Charity heaping three hours after admittance. The child was of a basic of emilgants who, with others, came herea after landing at Vera Crair, where they did not obtain employment.

lainfling at Vera Cross, where they must not ob-tain employment. Let noother the Testimony for the Let noother, November 19—Testimony for the defense in the Zara Burse trial resided this morning, after proving an allie for Carpenter on the night, preceding his arrest, and thus contrading the story told by one of the de-testimony in reluting, the form to be sub-testimony in reluting, the story of the con-trading November 9—All the rationals running out if this city will adopt the new achievals of standard thus commercing on a fundamental standard the commercing of the standard with the possible exception of

left her property to Jefferson Lhavis. It is maintained that the instatis was adjuct to undue influence.

Yoursertown, O., November 9.—A special from Newcastle, Pa., says: This mirroing a sanfiold, 78 feet from the ground, at. Keis Henniers, D. 1988, and the same fragate was instantly killed and William Troy and A. McRide bash; najared. Marie Burlington fell 12 feet and then caught hold of a projecting beam and was awed.

COMMATI, O., November 9.—A Forest special says: At 30 close thin morning Mr. Speidel, a baggage master at the depot, was called by the Marshal to arrest a burghs in M. W. Gagas' store. Sjeidel entired the window and was abot by the burghs and fatally wounded. The tunglar was acrested and recognized as Maurian Holty, a resident here.

BUTSALO, November 9.—A gale this alternoon blew down a four-storp building, being constructed by Jacob Bold, and 12 men were harred in the rules. Killed: Jacob Scorn-thal, William Eckert, loseph Gradel, carpenters; John Otto, laborer, and Charles France. Herey others were actimally injured.

MADDON, Win., November 9.—Governor

problems (John Moren, und Charles Fines) cerem of their were sectionally injured. Madison, Wis., November 9.—Governor Rusk has called a meeting of the Capital Building commission to consider the details of pesteaday's disaster in the collapse of a portractor and architects were examined, and as the result of the conference, it was desided to have a committee of experts institute an inquiry. The coroner's jury held an inquest on the bodies of five of the dead. Three of the wounded are expected to die.

CSICASIO, November 9.—The Illinois Central railread management has decided not to adopt the new standard time, soon to go into effect, but is getting out a time schedule based on Chicago time. The reason given for this is that its numerous suborban trains must not collected to the contract of the collected on the contract of the collected on the c

Intosh may die. She is esciente. Frank Barkley, the husband of one of the women injured, was arrested as the assailant. They ind separated.

New York, November 9.—The General Misslocary committee of the Methodist Episcopal church has made the following appropriations: Montans, \$1000 Indian Territory, \$10000 New Merico, \$13,000 Utah, \$2,263; Northwest Nebraska, \$2500, Northwest November, \$2000 New Merico, \$25,000 New Merico

the report, and the women and children were taken to the woods and guarded. The telegram states that negroes who work at the radiocal station have not been seen nince yearerday and the people are preporting to defined their houses. Thus far not trushle it knows of and it is impossible to say whether there is any just ground for the relating excitement. Southsampton county was the scene, years before the present, of a bloody stare imprection, and it is not improbable that the traditions of that then have summething to do with the prevailing apprehensions.

BREVITY BASKET.

BREVITY BASKET.

Filted With Steation of Minor Reveals and Fanny Items.

The moral side of it "And as, Mise Faller, you think Mise Johnson did wrong the geon the stage in fighter." "Indiced, I die. Wily, her looks are as this as place steam." "Now, org inthe boys and gitle," said as sacher, "I want you to be very still—so still that you can hear a pin timp." In a mitted as said was siden, where a title loop shirted out: "Let the drop !!"
"So you hashed in a contractior. In which particular line to be?" "In the detail line." "Yes, he has convexed about Sin, ood, worth at delts during the last two years. Exceptionly aspide to you contain the present of the still properties of the still properties." In which particular line to be?" "In the detail line," which has convexed about Sin, ood, worth at delts during the last two years. Exceptionly aspide to very exceeded in the beatern."

Milwakee succept is daing its best to keep up with the procession. The society columns do one of its pagers, the other day, contains the pleasing intelligence that "Grandshopper Jate," a bominete Indian, it whiling her breads in that city.

The little excellent, and it, I little, throw her breads in that city.

The little excellent, and it, I little, throw her breads in that city.

The little receiving as much notice as the fast of the Wisconsin house.

Three were five firmous Generals at the slow of the warm high commissed, the history with the phenomenal trottles. This little at its receiving as much notice as the fast of the warm high commissed, the base of the warm high commissed to the slow of the away as General. He is still to the prince of lift, able if occasion should demand it to take the field in person, but there is little and of these free disconnections are leave to the leave to the serve be called upon for firther across service. There have been, including Sheridan, I a Gestra's little recommend of the army and General. He is still the trop of the sum of the same of the result of General and of these force of the document

alone the war of the rebellion.
